# FLICKERTAIL WOODCARVERS

## **The 55th Annual Flickertail Woodcarving Show**

**October 11th and 12<sup>th</sup>, 2025**

At the Bismarck Career Academy  
1221 College Dr, Bismarck ND 58501

### **Wooden Clock featuring Izo Becic**

The Flickertail Woodcarvers are proud to bring featured carver Izo Becic from Moorhead to instruct on a Symmetric Clock.

The clock is about 18 inches by 18 inches and in butternut.

Izo is a European trained Master Carver who moved to the US in the 1990s. He has taught this style to hundreds of students around the country.

This is a 4 day class with 2 full days of carving and 2 half days of carving. Class will begin on October 9<sup>th</sup>. Location of the first two days of the class will come a little closer to the date of the class.

This class will use long handle tools and mallets, so no potato peelers. Please bring any long handle tools that you own and 2 to 4 clamps. Izo will have tools available to borrow.

The club has several sets of long-handled tools available to borrow with advanced notice. You will be most comfortable if the carving is at elbow height for you; a riser, a carving stand, or a bench hook sized to fit the 18" clock would be optional but helpful.

### **Photorealistic Colored Pencils with Rhonda Smith**

The Flickertail Woodcarvers would like to welcome Rhonda Smith and her Photorealistic Colored Pencil Class.

This class is designed for beginners who have little to no experience to go from beginner to Wow! You don't need to have previous colored pencil experience; Rhonda will guide you through every step along the way.

Class will be Saturday morning and Sunday morning from 8 AM to 12 PM.

### **Rolling Bison with Bob Lawrence**

The Flickertail Woodcarvers would like to invite you to a fun little class for all you NDSU Football Fans (and all non-football fans!) Bob will help you create the perfect somersaulting bison.

This project is guaranteed to create smiles all around, with just a nudge causing the bison to roll head over heels.

Class will be Saturday morning and Sunday morning from 8 AM to 12 PM.
